# Important notice to unitholders

## Vanguard Investor Funds CGT statements for the financial year ended 30 June 2018

**CGT statements are no longer available on request for Vanguard Retail Fund investors.**

In previous years we have provided a capital gains tax (CGT) statement on request for investors in Vanguard Retail Funds.

As the Australian Tax Office accepts different methods for calculating CGT, Vanguard is not in a position to nominate one method on behalf of our investors by providing a breakdown of capital gains or losses for the financial year.

Instead, we recommend the transaction history be reviewed with the help of a licensed tax adviser to gain an accurate CGT summary tailored to your client's investment portfolio.
