## Relevant law

### Anti-Money Laundering and Counter-Terrorism Financing (AML/CTF)

Australian anti-money laundering and counter-terrorism financing laws oblige Vanguard to ask for supporting identification documents from prospective investors in order to meet our obligations under Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (Cth) laws. These laws apply to all fund managers in Australia.

By investing in a fund, you agree that:

- you do not apply for an interest in the fund under an assumed name;
- any money invested by you in the fund is not derived from or related to any criminal activities;
- any proceeds from your investment in the fund will not be used in relation to any criminal activities;
- if we ask, you will provide us with additional information we reasonably require for the purposes of AML/CTF laws (including information about you, any beneficial interest in the fund, or the source of funds);
- we may obtain information about you or any beneficial owner of an interest in the fund from third parties if we believe this is necessary to comply with AML/CTF laws; and
- in order to comply with AML/CTF laws we may be required to take action, including:
  - delaying or refusing the processing of any application or withdrawal; or
  - disclosing information that we hold about you (or any holder of a beneficial interest in the fund) to our related bodies corporate or service providers, or relevant regulators of AML/CTF laws (whether in or outside of Australia).

### Politically Exposed Persons (PEPs)

AML/CTF laws oblige Vanguard to ask you whether you are a PEP, a family member of a PEP or a close associate of a PEP.

PEP	A PEP is an individual who holds a prominent public position or function in a government body or an international organisation, including: Head of State or head of a country or government, government minister or equivalent senior politician, senior government official, judge of a federal or state court of Australia, or equivalent in a foreign country or international organisation, governor of a central bank or any other position that has comparable influence to the Governor of the Reserve Bank of Australia, senior foreign representative, ambassador, or high commissioner, high-ranking member of the armed forces, or board chair, chief executive, or chief financial officer of, or any other position that has comparable influence in, any State enterprise or international organisation.
Family member of a PEP	A family member of a PEP includes the PEP's parents, spouse, de facto partner, a child and a child's spouse or de facto partner.
Close associate of a PEP	A person who is known to be a close associate of a PEP (having regard to information that is public or readily available) includes anyone who has joint beneficial ownership of a legal entity or legal arrangement, or sole beneficial ownership of a legal entity or legal arrangement that is known to exist for the benefit of a PEP.

### US Foreign Account Tax Compliance Act (FATCA) and Common Reporting Standard (CRS)

FATCA is a US law which impacts investors worldwide. FATCA attempts to minimise US income tax avoidance by US persons investing in foreign assets, including through their investments in foreign financial institutions. FATCA requires reporting of US persons' direct and indirect ownership of non-US accounts and non-US entities to the US Internal Revenue Service (IRS).

Similarly, the Organisation for Economic Cooperation and Development (OECD) has established a reporting regime (CRS), which requires participating jurisdictions to obtain information from their financial institutions and exchange it with other participating jurisdictions as of 1 July 2017.

Under FATCA, the Australian Government has entered into an Inter-Governmental Agreement (IGA) with the Government of the United States of America for reciprocal exchange of taxpayer information. Under the IGA, financial institutions operating in Australia report information to the Australian Taxation Office (ATO) rather than the IRS. The ATO may then pass the information on to the IRS.

The Fund may request such information or documents from you as is necessary to verify your identity and FATCA and CRS status, including self-certification forms. The Fund may disclose this information to the IRS or ATO (who may share this information with other tax authorities) as necessary to comply with FATCA, the IGA, CRS or applicable implementing law or regulation, which may include information about:

- Investors identified as US citizens or tax residents (information about corporations and trusts with US substantial owners or controlling persons will also be reported)
- All other investors identified as non-residents for CRS purposes (including non-resident controlling persons of certain entities)
- Investors who do not confirm their FATCA or CRS status
- Certain financial institutions that do not meet their FATCA obligations (non-participating foreign financial institutions)

Vanguard is not able to provide tax advice and strongly encourages investors to seek the advice of an experienced tax adviser to determine what actions investors may need to take in order to comply with FATCA and CRS.
